Grimes County 9-1-1 Address Application

1170 CR 280 Anderson, TX 77830

Phone: 936-873-6446 – Email: jamie.weak@grimescountytexas.gov

9-1-1 ADDRESS - APPLICATION INSTRUCTIONS - There is no fee for requesting an address

SECTION 1

APPLICANT INFORMATION Provide your name, an email address to receive your address notification letter, and a telephone number in case our office needs to contact you with questions.

SECTION 2

DRIVEWAY LOCATION APPLICATIONS WITHOUT THIS INFORMATION WILL BE REJECTED

1) Is there an established driveway? A driveway provides access from a named road onto your property and typically leads to a house, garage, or other structure. If no driveway currently exists, you must identify the proposed driveway location to complete this application. Properties with long driveways serving multiple structures may need a private road designation before an address can be assigned. Changing the driveway location after an address has been issued may require your address to be changed.

2) All addresses are assigned at the point where your driveway meets a named road, such as a county road, private road, or state highway. A driveway must intersect with a named road before an address can be issued. Please provide the name of the road that connects to your driveway.

3) If you are sharing this driveway with another structure that has an address please provide the address(es) of the other structures that share the driveway.

4) Provide the latitude and longitude coordinates, in decimal degrees, at the point where your driveway meets a named road. (*Coordinates from a survey plat will not work.*)

5) Provide the latitude and longitude coordinates, in decimal degrees, of the structure for which you are requesting an address.

For instructions on obtaining latitude and longitude in decimal degrees, please visit: www.grimescountytexas.gov

SECTION 3

PROPERTY INFORMATION

1) Property Type (Required) – is this property residential, commercial, ag/pasture or other?

2) Property ID (R#) (Required) – this information is available through the County Appraisal District or your property tax statement.

3) Description of Structure (Required) – Provide information about the structure such as structure type (mobile home, brick, etc.), main color, trim color, etc.

4) Number of Stories (Required) – If the structure has more than one level, please circle or write in the correct number.

Additional information such as subdivision name, lot(s) number(s), neighbor's address, and Precinct are not required but are helpful in locating your property for addressing. Submit the addressing application along with the Permit Acknowledgement form. The Permit Acknowledgement form is required. Submitting the addressing application without the Permit Acknowledgement form will delay your request for a new address.

SUBMIT THE APPLICATION

Address applications must be signed and dated in order to process your address request. The application can be submitted to jamie.weak@grimescountytexas.gov

Even with this information the addressing office may still need to contact you to request additional information. Generally all contact is through email. Please add jamie.weak@grimescountytexas.gov to your contact list to ensure you receive all communications from this office. This office makes every effort to issue addresses in a timely manner but please allow up to **[time frame]** to receive your address.
